33 Years of Green  
and Yellow tractor  
fun

## Kyle Hoffman and Family Deere Fans

My John Deere story started a couple years ago, at the Lynden Steam and Tractor Show. We were only there for a few hours, but that's all it took. I was hooked. After that day I was on the hunt for my own tractor.

I talked to my friend Clint about it and a few weeks later he told me about his BO he had just picked up. There was another one for sale from the same collector down in Seattle. I got in touch with the guy and went down to pick it up.

It ran well and had new tires. It needed a little paint work, but all in all a solid little 1942 BO. I didn't know much about the tractor. I had never driven a hand clutch before and it seemed very foreign to me. I found it was easier than I anticipated to operate, and I loaded it up for the trip home.

I stopped by my wife's grandparents place first. Jim and Janet Mcrae have been farmers for many years and were the ones who told me about the Lynden show and the 2-cylinder club. They were surprised and excited to see my new tractor.

At home I got right to work cleaning it up and painting it. I found out after painting, that there is more than one color of John Deere green. I had used ag green on a classic tractor. A lesson learned.

At my first 2-cylinder meeting I was excited to talk to people about my tractor. When I did, they would say "only one?" I would answer yes, and they would reply "not for long." How right they were. Now me and my boys own seven, thanks to some very generous club members.

After attending that first meeting I knew that I had found something special.

We have had so much fun and made some great memories in the past two years. The tractor show has become the highlight of our summer and we camp out all week now.

My three boys and I spend lots of evenings in the shop working on our tractors and planning for the next parade or show.

A favorite memory is when we pulled an old hay wagon out of the brush from the Mcrae Farm only four days before the 4th of July parade. I had to mill the boards, have a tire repaired and we painted the entire thing just in time for the parade. The paint was still tacky.

I grew up with a 1939 Ford 9N that my dad and brother restored. I spent many hours working with that tractor, but have always loved watching the shiny green and yellow tractors in the parades every year.

I remember listening to my dad talk about Tom Jensen, who he worked with, and all the cool old John Deere tractors he had.

I'm so thankful for this club and all the great people we've met. This truly is the nicest group of people. Me and my family have been so blessed by the people within the club. I look forward to many more years talking and dreaming about tractors with the members of this club, who have become such good friends.

## Cascade Two Cylinder Club Board Meeting

**Date:** 1/12/25

**Place:** Kyle Hoffman

**Attending:** Paul, Tom, Jim, Kyle, Norm Phil, Jeff, Jim, Con  
**President Paul Hieb called the meeting to order at:** 7:01 PM

**Minutes:** Previous board and general minutes were read & approved.

**Treasurer's Report:** Tom gave a treasure report of \$2986.32 in the bank. Reported that income & expenses balanced out for Christmas potluck.

**Old Business:**

1. Discussed how potluck went. On the whole it went very well. Approximately 80 people were in attendance. Next year might cut back some on turkey and flowers. Maybe increase on the ham. The food was very good despite having no power at the beginning of the meeting.

Also discussed a different place to meet with more reasonable rent. Possibly at a place in Sedro Woolley. Kyle will get more info on the place.

**New Business:**

1. Tom talked about a member that has passed and the family has several pieces of equipment to get rid of.

2. Discussed upcoming plow day. Will be at the Schu Farm again. Possibly around May 11th.

3. Election of board members was discussed. Paul, Kyle, Tom all decided to remain in office.

4. Gas up will be held around 9th of May

5. Tom mentioned that 14 members have not paid 2025 dues at this time.

6. Discussed upcoming 2026 tractor caravan. Caravan will start at Jim Grove's place on the third Saturday of July. Start time will be 9AM

7. A shop tour for 2026 was discussed. Possible tour of Chris Knutzen Grain Co. Couple members will be looking into the possibility of this on April 18. Starting at 9AM. Possible lunch after tour and then on to Peth Beef Farm where the owner will explain his operation.

8. The next general meeting will be held in Sedro library on Feb 7, 2026.

9. The next board meeting will be held towards the end of March.

10. Tom brought up liability insurance costs for members of our club. Cost is \$673 at the present.

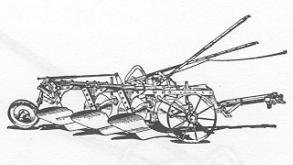

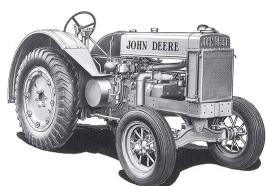

11. Insurance cost was also brought up for members when being involved in parades.

Insurance for the Waterloo Boy tractor was donated to us by Jerry Roorda. City will not insure it. Con will check into what insurance would cost.

**Meeting adjournment:** Meeting was adjourned at 8:45 PM  
Minutes submitted by: Con Holleman Sec.

## Cascade Two Cylinder Club Guide to Tractor Restoration Services

2<sup>nd</sup> Edition November 2025

1. S&H no longer has a machine shop.
2. Advance Radiator has not been in existence for several years now.
3. Marty Klix has now sold his business & equipment to Matt Montague. His phone number is--360-305-2999.

*If you have any repair or restoration services that you would like to share please let us know.*

**2025 Tip of the Green and Yellow Hat Award**

We would like to award Jim Sorensen special recognition for his service to the Cascade Two Cylinder Club.

- \* Jim attends most of the club activities including parades, shows and caravan
- \* Jim has a good John Deere 2 cylinder mechanical background and is willing to share it with members.
- \* At this year's Veterans Day parade, Jim offered to pull the veterans wagon at the last minute when the scheduled tractor was not available.
- \* Jim schedules the Bayview Community Center building for our annual Christmas Potluck Dinner.
- \* When we lost electrical power at this year's dinner, Jim set up his generator to provide emergency power.

Thank you Jim!

## President's Message

I hope every body had a happy new year and a good start for 2026. Our Christmas dinner was great but we started out without electricity to heat and cook then Jim Sorensen brought his welding generator to get started.. Thank you Jim. Dinner was a little late but everybody had a good time.

Our first meeting will be February 7 10:00 am at the Sedro Woolley Library. We will have elections of president, treasurer and four board members. We are working on a shop tour for early April. More at the meeting. Skagit Gas Up will be May 9th. See you at the meeting Feb. 7th.
