Coffee & cookies  
8:00

General Meeting  
11:30 Agenda-  
Dinner -Raffle, si-  
lent auction and  
door prizes

## Jim Alveshere, Snohomish Deere Collector

Jim has been collecting since 1997 which is about the time he joined the Cascade Two Cylinder Club. Jim and Cherie Alveshere are "all in" tractor collectors belonging to not just the C2CC group but also the Sky Valley club and the Vintage Iron club in Carnation. Jim has been an active participant in most C2CC activities especially the plow days and caravans. To date he has 4 parade ready tractors which include two John Deere 1960 430s with consecutive serial numbers. They are both 430 (U) Utility models with directional reversers and purchased at two different times. The biggest difference is one has an orchard muffler and the other one doesn't. Jim likes all his tractors but his first Deere, the 430 has to be his favorite since he has done a lot of work on it. It's kind of that bonding thing! When he and his wife Cherie bought their 12 acres, it was covered with blackberries, trees and grass taller than Jim. The 430 had a loader and back hoe so he was able to clear the land. After the clearing they bought a brush hog to keep the land from going back to nature. Next a house was built and the JD 430 and box scraper were used to level the yard. Got to earn its keep you know!

## The Tractors

The first JD 430 came from Sedro Woolley. The second JD 430 "twin" came from an auction in Kelso. The JD 4010 came from an auction in Minnesota and was trucked out to Arlington. Jim uses that tractor in our club plow day and gets a lot of sod turned. Jim and Cherie inherited three non green tractors from Cherie's aunt in Iowa. They were trucked out in 2004 and 2005. Two have been sold. A

few years ago a 1951 John Deere MT was purchased in Monroe. In 2016 the Alvesheres brought a JD 530 home from Riverside California and a 1947 M was recently purchased in Everett.

Jim's favorite activity is the July caravan rides. There is nothing like seeing the country at 12 MPH! He really enjoys plowing, mowing or as Cherie says, anything on the seat of a tractor. Jim has done many parades, shows and caravans using whatever tractor sounds good that day. He pulled with a WD AC for several years and has trophies and plaques but the WD was sold and he doesn't pull any more. The current non green stable includes a 1952 TO-30 and a 2017 Kioti NX5510.

## The Early Days

Jim was born and raised on a farm in North Dakota. His dad used to like to tell the story of how the Alvesheres became a John Deere family. In 1948 he went to buy an M International. When he got to the shop the dealer said that the M was promised to someone else. He went to the John Deere dealer and there was a John Deere A. Within a year he had a 1948 A, a 1948 B, a JD 3-14 knee buster plow, a JD 2 row corn cultivator and number 5 mower. The A and B were later joined by a 720 gas and all this equipment was still on the farm when Jim left to see the world! Like most of us Jim didn't stay on the farm but had a rewarding career at Boeing as a computer analyst and Cherie as a data technician.

## Family Hobby

The tractors have been a very rewarding family hobby. Cherie has been extremely helpful and supportive through the years.

**President's Message**

As the 2018 year's activities come to the end, I would like to say thank you to all those who participated and volunteered through the year. On Veteran's Day we had 18 tractors in the parade, weather was cool but a nice day, thanks to all who came out.

Next up is our Holiday Christmas Dinner on Dec. 1st 2018 at Bay View Community Center. Coffee and cookies at 8:00 AM to start the day. We will peel potatoes and get things going, dinner at 12:00 PM. The club will furnish turkey, ham, mashed potatoes with gravy, dressing and a vegetable. Members can bring a salad or desert. Also bring your own table settings. We want all charter members to attend to receive the 25 year plaque. Donations can be used in the silent auction or raffle.

Merry Christmas to everyone and hope to see you at the dinner on Dec. 1, 2018.

Paul Hieb, President

*(Continued from page 1)* One daughter has driven most of the tractors, but is quick to remind everyone that the WD was her favorite. That as the one that was sold! All seven of the grandkids have been involved in driving or at least riding on the tractors. The tall grandson you see driving in the parades and caravans has taken a lively interest in working on the tractors and has become proficient at it.

As for being a unique collector, Jim says that he has a seat attached to the JD 430 3 point hitch. You have probably seen Cherie riding tandem at some of the events. Cherie really enjoys caravan rides as we tour the back roads at 12 MPH!

Jim and Cherie have been good supporters of our club and have recruited several new members to our Deere club.

A tip of the green and yellow hat to our Holiday 2018 featured members, Jim and Cherie Alveshere.

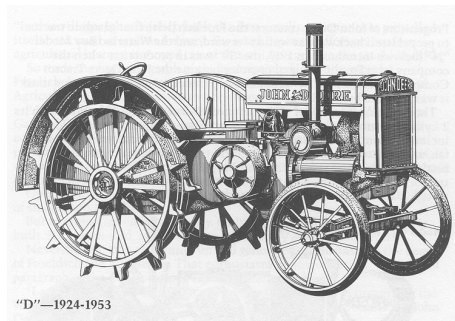

Jim and Cherie Alveshere with the orchard exhaust 1960 JD 430U

1961 JD 4010d, 1959 JD 530w, 1951 JD MT, 1960 JD 430u orchard exhaust & 1960 JD 430u

**Membership Dues**  
**\$15/Year**  
**Please note!**  
**2019 dues due January 1, 2019**
