## Inaugural Classic Green Reunion 2019

If you were at the general C2CC meeting in October you would have heard Phil Smoots presentation on his impression of the Classic Green Reunion in Grand Island, Nebraska, June 13-15. We thought that this show was so special that we wanted to share the show activities and exhibits with the entire Cascade Two Club membership. The show is scheduled again in 2021 but in Ohio. Grand Island is a city of 48,000 people located in Nebraska. This show was located at the 240 acre Fonner Park Campus (240 acres) which is also the home of the Nebraska State Fair Grounds. The facility was excellent for a large tractor show since it had several large air conditioned buildings for exhibits and vendors. A race track with seating was available for the daily tractor parades and ample parking for cars, trucks, and trailers. A RV park was also near the show grounds.

The Classic Green Reunion organization committee thought there was a lacking of a national show that was devoted to the John Deere collector. The group wanted a show that is all John Deere including everything from tractors, implements, lawn and garden, memorabilia and working demonstrations. The theme "It's all about the people" was to highlight the 3 day show.

The tractor focus would be on the John Deere H which had been introduced 80 years ago. The John Deere R which celebrated a 70 year birthday this year and the John Deere Patio

lawn tractors, 110. 112 and 140 which was introduced 50 years ago.

Our board member Greg Greenfield hauled his 1946 restored H and picked up a newly purchased (Akron Colorado) 1941 HWH to the show. Greg also brought his collection of John Deere bicycles. Greg and Brenda had a full trip returning to Skagit county with bicycles, two tractors and some swap meet parts. Phil and Janice helped him with some of the parts.

The John Deere H part of the show displayed 41 Hs including 6 HWH and one HNH. Of course there was a seminar covering the specifications and special details of the John Deere H. The show had 386 exhibitors and over 300 tractors. Tractors with implements was the common exhibit.

Farm equipment demonstrations included a corn picker, bundler, wood saw, JD H running corn grinder, JD 26 rear mount cable manure loader, kernel separator, JD stationary baler, JD threshing machine, corn crib elevator and a shelling demonstration.

Special tractor exhibits include a 1937 golden jubilee John Deere D that was painted specially to commemorate 100 of John Deere. The current owners were the Queen family that included Charles Sr., Charles Jr. and Charles the 3<sup>rd</sup>. There was also a scale model jubilee D that was part of the exhibit. An emotional presentation was made by grandfather Charles Sr. to honor the grandson Charles the 3<sup>rd</sup> for his dedication in caring for the special tractors. Other special Deere's included the first John Deere A produced and the last.

*(continued from page 1 Classic Green)*

The oldest known John Deere D once owned by Ted Spoelstra and exhibited at P.S.A.T.&M.A. was exhibited by the current owners from Kentucky. One of the main sponsors of the inaugural show was the Green Magazine. Other sponsors included the usual advertisers found in the Green Magazine. 50 vendors were present with 15 swap meet vendors. Both Phil and Greg agree that this was one of the best tractor shows that they have attended. Ohio 2021 anyone? Just remember it's all about the people! *ajohnson*

YOU FURTHER INFORMATION**

**FRIENDLY SERVICE**

*(continued from page 2 C2CC General Mtg. minutes)*

Tom displayed the latest club jacket. Cost is about \$175. The Puget Sound club has asked for permission to store their Root & Vanderport engine in our building. Paul will contact Fred Polinder. Jim Smith and Ken Rose talked about the coming Caravan to Lopez Island, July 18, 2020. Details to follow. This will probably be our last trip out there. If you haven't been on one it's a great event! Phil talked about a tractor show he attended in Grand Island Nebraska. It was one of the nicer shows he has attended and it had lots of vendors. Dale Robertson showed a silent video of the former Northern State Hospital Farm taken by former Superintendent Jones. It is amazing what they were able to grow and produce there. Now the lower fields have been turned into a swamp! The video is available for viewing at the Sedro-Woolley Museum. Meeting adjourned at 11:57 AM  
Ray Riggles, sec.
