## 25 Years of the Cascade Two Cylinder Club

### The Beginning

It hardly seems possible that the first official meeting of the Cascade Two Cylinder Club happened just 25 years ago on February 25, 1993 at the Sedro Woolley Museum. With the help of Jay Fryman from the Two Cylinder Club, Ray Vandingham and local collectors Paul Hieb, Bob Harrison and Willis Mills, the club was off to a grand start. The Club boasted 50 plus charter members that first year representing North Puget Sound and Southern British Columbia. The first officers included an enthusiastic President Paul Hieb, Vice President Jerry Senner, Secretary Morrie Robinson (who also served as the first newsletter editor), and Treasurer Tom Jensen. Board members included Lloyd Kincade, Merlin Granberg, Tony Splane, Norm teSelle, Ray Riggles, Curtis Johnson, Alerd Johnson and Addy Johnson.

### The Devil and the Details

Perhaps the greatest decision the group had to resolve was to be "loose knit" or the extreme of being "fully organized". The loose knit philosophy won out as long as the group had insurance and was legal in the eyes of Washington State. A major guiding light for the new group was Ray Vandingham who had positive experience forming a John Deere Club in Southern Washington. Ray explained the pitfalls of a club owning equipment and the importance of a newsletter in communicating with the membership. Fortunately, our founding fathers listened to Ray and the club doesn't own any major equipment which needs constant maintenance. A newsletter and web page was developed to communicate with the membership. Morrie Robinson was another valuable resource in sharing his wealth of experience and involvement with the local Branch 26 small engine club.

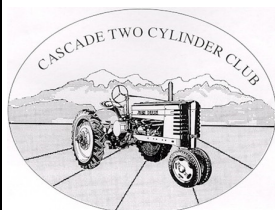

### Showing Off the Green and Yellow

What good is collecting and restoring green and yellow iron (Deere engineering marvels) if you can't show it off to your buddies and the public! Many members were already displaying their treasures at the Lynden summer Puget Sound Antique Tractor & Machinery Association show but wanted their very own show. Ah ha! Why not start their very own spring plow day? The very first

annual spring plow day was successfully conducted in 1994 at the Ron Knutsen farm next to I-5 Burlington. They even had freeway traffic pulling off on the shoulder to watch the 23 acres of dirt fly. Enthusiasm ran rampant and a fall plow day was added in 1995. That year also provided the club with the first North West Two Cylinder EXPO in Chehalis, Washington. The club had a good showing with over twenty tractors in the exclusive northwest John Deere event. Some of our members made us proud in the tractor pull and slow race. North West Two Cylinder EXPO was such a success that the event continued every two years since the founding 1995 year. And then there was the 1999 National Two Cylinder Club EXPO held in Missoula, Montana. Nine club tractors were present and nearly two dozen members attended. Ken Langel was a crowd pleaser when he started up the Waterloo Boy. A member hasn't exhibited since until the summer of 2002 when Paul Hieb and Allan Brinson hauled Paul's rare 1947 BWH to EXPO XII in Waterloo, Iowa. Way to go Paul! 2001 was the year of the John Deere at the Lynden P.S.A.T. & M.A. summer show. Tom Jensen was nominated show director and replicated a "30 years of the 'D' display. 190 beautiful Deeres were exhibited. And then there are the local parades! Lynden Farmer's Day, Burlington Berry Dairy Days, Sedro Woolley Logger Rodeo parade, and the Arlington Forth of July parade. The Governor's Trophy and Best of Division are some of the awards won by our parade participants.

### You Can't Celebrate without Food

The Cascade Two Cylinder Club annual holiday potluck started in 1995 at the Alger Community Center. Like with many things, when you have good food and good talk the event grows and grows until you've outgrown your hall. In December 1998 the holiday potluck was moved to the Bay View Community Center where the club has 130 people plus in attendance. Besides good food, the club sponsors a big raffle, door prizes and entertainment by professional musicians. One member says that the annual club dues are worth just the holiday potluck dinner. It would be criminal if we didn't recognize Harold Eastbury and Loren Dahl for preparing great rib sticking lunches at all of our plow days and overseeing the holiday potluck! **(continued on page 4)**

**President's Message**

Nice spring weather did come and we had a good day to plow, had 16 tractors and plowed about 90 ac. Finished at 1:30 P.M. Thank you to all who helped. Another good day at Skagit Gas Up at the Mt. Vernon Fair Grounds with several tractors on May 12th. The next Saturday was our shop tour to Alan Mesman's farm to see their robotic milking parlor and organic dairy, pretty neat. Coming up is the Burlington parade on June 16 and then the 4th of July parades. Our tractor caravan will be July 21 in the La Conner area, we unload at Steve Schuh's farm on the Memorial highway (15565 State Route 536) Mt. Vernon. We will stop to eat lunch in La Conner, so come along. The Lynden show starts with a potluck supper on July 31 at the John Deere building about 5:30. Puget Sound Club will provide hot dogs and hamburgers with condiments. Our club will do ice cream and cake for our 25th anniversary. You can bring anything that goes with the dinner. Aug. 18 Bellville Threshing at Lagerlund farm on Cook Road, Burlington. So there's lots to do this summer so bring our tractors out and have some fun. P.S. 22 Tractors at Lynden Parade.

### Who Are We Now?

The Cascade Two Cylinder Club has grown from 50 charter members in 1993 to over 170 members today. Membership ranges from as far north as British Columbia to as far south as California. The majority of the members hail from Whatcom, Skagit, Snohomish, San Juan and Island counties. The membership owns in excess of 400 two cylinder John Deere tractors and various antiques implements. Tractors have been exhibited at the P.S.A.T.&M.A summer show, Anacortes Antique Engine & Machine Show, Quincy Farmer Consumer Awareness Show, Logger Rodeo, local John Deere Days, Skagit Valley Tulip Festival and, Skagit Valley Festival of Farms, Stanwood Harvest Jubilee, Winthrop Vintage Wheels, and the N.W. Two Cylinder EXPO. Today, we have lost many of our shows and our current focus is, the Puget Sound Antique Tractor & Machinery show in Lynden. Smaller shows include the Branch 26 Spring Gas Up and Burlington Pumpkin Toss. One of the club's major accomplishment is the John Deere Museum built at the Berthusen's park show-grounds. Funded by member donations, local business support and the PSAT&MA organization, the facility was completed in 2008 and dedicated in 2009.

Spring shop tours started in 2002 and continue with good attendance. Our current parades are the Lynden Farmer' Day parade, Burlington Berry Dairy Day parade and the three 4th of July parades in Sedro-Woolley, La Conner and Arlington. We also are a annual participant in the Burlington Veteran's Day parade in November. Our July Caravan started in 2003 and continues with various tours of Whatcom, Skagit and Lopez Island. Our club members and tractors were "extras" in an independent film **Home**

**Alone.** Three members, Ken Langel, Tom Jensen, Bob Folk and Bill McEnery has been featured in the Green Magazine. Norm teSelle has been recognized in the Two Cylinder Magazine. Ken Langel and Dax Kimmelshue's tractors were featured in the 2018 Corporate John Deere calendar. A spring plow day is conducted in Skagit County each year plowing as much as 110 acres. Plowing donations have supported the Christmas potluck dinner-meeting. The John Deere collector Gathering of the Green event in Davenport Iowa has had representatives from our club since the start in 2000.

The club newsletter is published five times a year and a web page ( [www.C2CC.org](http://www.C2CC.org) ) has been established.

General membership meetings are conducted four times a year including popular raffle and technical sessions. The annual Christmas Potluck and General meeting is the best attended meeting with as many as 130 people in attendance. Current leadership includes: Paul Hieb, President; Phil Smoots, Vice President; Ray Riggles, Secretary; Tom Jensen, Treasurer; Directors: Loren Dahl, Norm teSelle, , Alerd Johnson, Jeff Cowles, Con Holleman, Greg Greenfield and Gary Friend. Of the original officers and board members Paul Hieb, Ray Riggles, Tom Jensen, Norm teSelle and Alerd Johnson are still serving. Curtis Johnson is still serving as web master.

Our club is still very live and "popping " after 25 years and deserves a big tip of the green and yellow hat!
